MOBIUSLAB. Fun, interactive, and a sneak peek of what's to come!

For two months only, **MOBIUSLAB** at **NorthTown Mall** will give visitors an opportunity to interact and learn about science and technology. Visitors from 8 to 108 will experience cutting-edge science at their fingertips – FREE!

MOBIUSLAB is a preview of Mobius Science Center, set to break ground in Spokane in 2011. This exhibition will feature labs that teach visitors about energy, sound, motion, magnetics, and more.

Come to launch an object with a catapult, power a motor with your bare hands, and more!

FREE THIS SUMMER!
